About Our Customer /

ORANGE VALLEY Balestier

Orange Valley is one of Singapore's largest private nursing home operators. Six nursing homes, with over 1000 beds strategically located around the island.

Project Date / JAN 2018

Orange
Valley

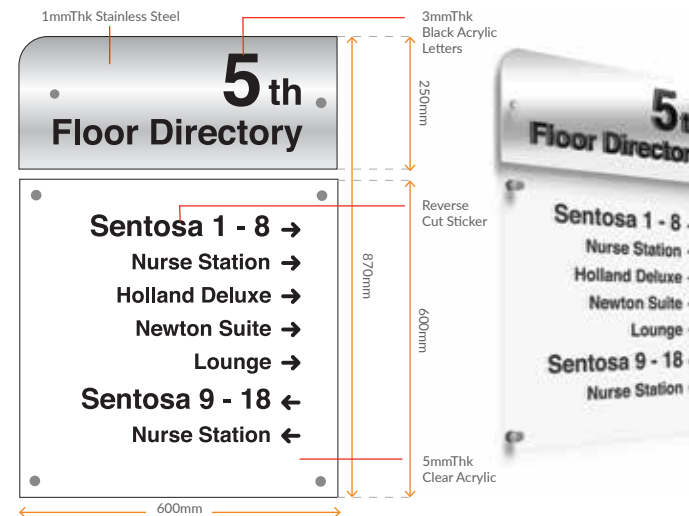

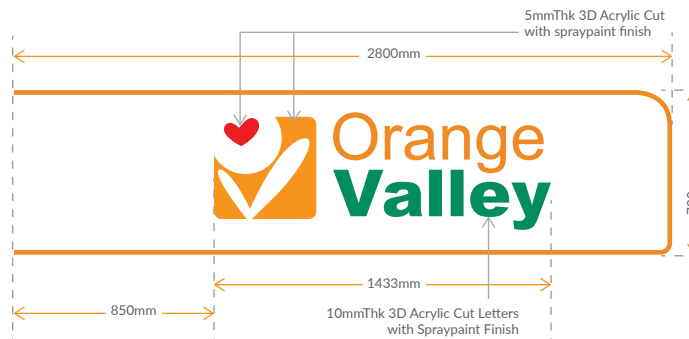

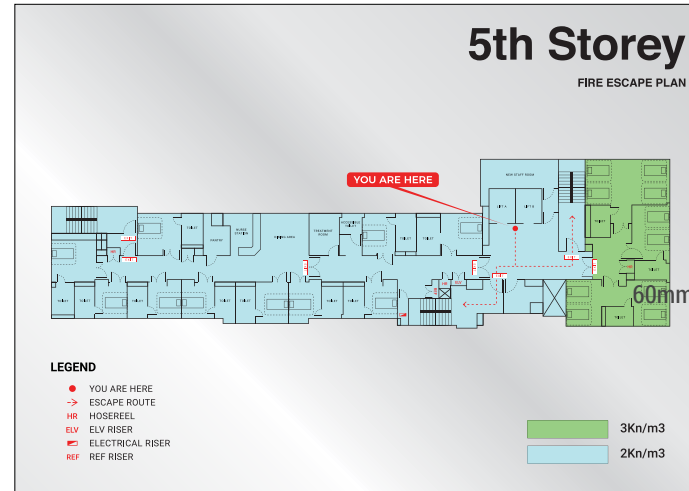

STUDY CASE

wedesign

A temporary occupation permit signage project with a fairly common condition: a super tight deadline! On top of this we had to propose all the designs, follow all amendments up to the last minute before proceeding with fabrication and installation before opening day!

In other words, it was a typical month for Maneki Signage, so needless to say the entire project was completed on time and in accordance with the customer's wishes.

Size : 4000mm x 800mm

3D Aluminium Frontlit with LED pinned on Aluminium Backing

Stencil Cut - Aluminium Backing Mount-on-wall

Size : 2900mm x 3829mm

STUDY CASE

wefabricate

All signs ranging from BCA-compliant Braille signs to metal/acrylic directional and statutory signs to stencil-cut lightboxes to LED front-lit main building signage was made in-house at our Singapore factories to every detail confirmed with the customer during the design consultation process.

STUDY CASE

weinstall

The installation was done by our own installation team and in phases as soon as batch after batch of signage was completed by our fabrication team.

All signs inside and outside the building were up and signed off by the customer before the final deadline.
